*PROLES*

✓ 1. (Unclassified - RLB) LIAISON Spoke with John Elliff, staffer on the Senate Select Committee on Intelligence, regarding Electronic Surveillance Conference. Mr. Elliff said the SSCI and Senate Judiciary have named conferees; conference date has not been set pending naming of House Judiciary conferees. Representative Robert McClory's (R., Ill.) motion to instruct House conferees to remain firm on Ertel amendment to H.R. 7308 regarding "special court" is due on House floor on Tuesday, 26 September. (See Memorandum for the Record.)

2. (Internal Use Only - GMC) LIAISON Called Beverley Lumpkin, House International Relations Subcommittee on International Organizations staff, to tell her that the permission which had been sought in a letter from Chairman Donald M. Fraser (D., Minn.) dated 19 September 1978 for Subcommittee staff member Steven Blush to review notes taken by designated staff members [REDACTED] had been granted.

3. (Internal Use Only - GMC) LIAISON Took a call from Judy Schneider, Senate Select Committee on Ethics - Korean Inquiry staff. Ms. Schneider said that the Korean Inquiry staff had reason to believe that a document pertaining to its interest had been shown to another Congressional committee investigating a related matter but had not been shown to the Korean Inquiry staff. I took the particulars from Ms. Schneider and determined that because of an oversight the document had indeed not been shown to the Korean Inquiry staff. I contacted Ms. Schneider and we arranged for her and Erica Ward, also of the Korean Inquiry staff, to visit Headquarters on 25 September to review the document.

4. (Secret - DFM) LIAISON Accompanied Ed Levine, Senate Select Committee on Intelligence staff, to a meeting with [REDACTED] LA/DDO, regarding the current situation in Guatemala. Levine plans to travel there in October and we wanted to bring to his attention recent reports of increased terrorist activity.
